Seeing the ones whom in the journey. No need to greet them. Equally not knowing. Equally not knowing at all. But also equally knowing. The journey shown from the sweat. Tired faces. Boredom too if it was a searching. Trying to be amazed. On the former graveyard, stinging nettle and thorned leaves. The serpents running away. They're sleep with one eye. The one who stand is Kalika. I never been in to a journey. Then arriving to the death toll. Silent. No wind. Water. Dark as death. The light dies there. Live and die there. There is only sense. There is road. Hardly believed as a direction. Suddenly come. Or not. An old man with a woman stand before her. Looking straight. Deceased body. Deceased mouth. Memandang yang melakukan perjalanan. Tak perlu menyapa. Sama tidak tahu. Sama tidak tahu menahu. Juga tahu sama tahu. Perjalanan itu bertutur dari keringat. Wajah lelah. Kebosanan juga bila mengira itu pencarian. Berusaha takjub. Di atas bekas kuburan. Jelatang dan rumput berduri. Ular ular menjauh. Tidurnya tak pejamkan mata. Yang berdiri itu kalika. Aku pernah melakukan perjalanan. Hingga di jalan kematian. Sunyi senyap. Tak ada angin. Air. Gelap mati di situ. Cahaya mati disitu. Hidup mati di situ. Hanya rasa. Ada jalan. Sulit diyakini sebagai arah. Datang tiba tiba. Atau tidak. Lelaki tua dengan perempuan berdiri di depannya. Tak menoleh. Tubuh mati. Mulut mati. Tapi menyapa. Kau mencari budha?

Sakyamuni mati. Yang jerih bilang dia tak mati itu. Aku. Berkali bilang. Aku bilang. Bukan dewa. Bukan manusia. Bukan yaksa. Bukan keyakinan. Kalika melihat. Pada bekas kuburan. Tak ada bekas mati. Mati itu selesai. Perjalanan itu selesai. Tak berkaki. Bukan tamasya. Tak bertemu. Tak ditemukan. Sakyamuni itu mati. Aku belum. Juga jerih. Ada yang tersinggung. Tapi dia mati. Selesai. Prolog selesai. Pentas dimulai. Perjalanan dimulai. Lupakan duka

Mata pertama : barangsiapa menginjak bumi. Tanaman. Binatang. Manusia. Segala mahluk. Sakti. Suci. Tolol. Baik. Jahat. Kaya. Miskin. Petinggi. Jelata. Mati. Coba sebutkan ada yang tak mati? Avatar? Coba ucapan ada yang tak selesai? Barangsiapa menginjak bumi. Kaki? Padà. Suku. Menginjak. Menapak. Perjalanan. Berangkat dari mana, kau? Kekecewaan. Patah hati. Cita cita tak sampai. Kebangkrutan. Sebaliknya. Bahagia. Penuh cinta. Mudah. Berlimpah. Perjalanan. Tak berkaki. Seolah melangkah. Hanya berputar. Depan belakang. Kiri kanan. Bolak balik. Berapa lama ke gunung tinggi? Lewati lautan mendayung perahu? Terbang diatas ratusan pulau? Berapa lama diam hening. Makan sayur. Tak berdaging. Tubuhmu lelah. Kakimu lelah. Hatimu lelah. Selesaikah?

Sakyamuni. Siapa? Kakinya menginjak bumi. Bolak balik. Hadap depan.hadap belakang. Menjemukan. Mondar mandir itu. Sakyamuni. Siapa? Menginjak bumi. Barangsiapa menginjak bumi. Pasti mati. Selesai. Kalika pernah jelita. Pernah menyeramkan. Pernah berjalan tanpa melangkah. Berputar. Hingga selesai. memakan segalanya. Buah sampai bunga. Segalanya. Dia bilang: aku pemakan bangkai. Selama tubuhku belum selesai. Di bawah pohon rindang. Di atas bekas kuburan. Di bawah taman surgawi. Daun daun mati. Umbi mengering. Remuk. Dari telor. Bisa mendapatkan sayap. Dari telor bisanya cuma merayap. Dari telor dia. Selesai dia. Renik dalam lumpur. Membagi sel. Dia bilang itu kembang biak. Selama menginjak bumi. Di laut yang tak melayang di angkasa. Sungai juga di bawah langit. Selama kaki menginjak bumi. Sakyamuni mati. Berjalan hadap depan belakang. Kiri kanan. Kalika mengatakan: durga pernah di sini. Juga di situ. Juga di sana. Tapi satu dan sejuta banyaknya pernah lewat di sini. Setan belum. Dia hanya jalan berputar di dalam sana. Tak mau ke luar. Tak mau injakan kaki ke bumi. Perjalanan. Tak melangkah. Tak berpindah. Kau bukan tengah mencari orang suci di pegunungan ataukah di ruang ceramah. Kau cukup. Berjalan tanpa kaki. Tak perlu menjelaskan. Selesai. Semuanya akan selesai. Apakah itu budha? Teratai selalu puitik. Tapi lumpur dibawahnya tak ada narasinya. Ada renik membangun istanan. Dengan ritusnya mengorbankan diri agar teratai bermekaran.

Mata kedua : dua bayangan itu. Sama mayanya. Berpayung terawang tak perlu cahaya. Yang duduk memandang wajah kalika. Memasang maya diwajahnya. Selesai. Kelahiran dirayakan. Kematian dirayakan. Hidup adalah perayaan derita. Siapa yang tinggalkan istana. Menuju bekas kuburan. Bukan aku. Siapa yang seolah adil memilih perpisahan. Bukan aku. Selesai. Hidup yang mati. Tapi mati. Ya mati. Selesai. Keseraman itu. Keharuman kesedihan. Bayangan itu. Dua maya mata. Mata mati dan mata maya. Sakyamuni aku kenal. Teman menari waktu kanak. Usil. Manja. Ada yang kesal. Jumawa. Hendak memaki. Apa kalian tahu semua nama nama temanku? Yang menari di bawah purnama. Yang berlari di bawah hujan. Lalu dia istimewa. Teratai mekar diantara rerumputan. Itu mustahil. Teratai mestinya tumbuh di kolam. Semua nyeri menatapnya. Lalu dia mati. Teratai layu. Kalika tertawa. Dua bayangan itu sama

bertanding. Keduanya mengaku bukan bayangan. Maya bahkan merasa sepatutnya diam. Sebab selesai. Hari selesai. Waktu selesai. Rindu selesai. Ada yang tak mati? Siapa? Semesta jugakah? Alam? Pohon? Semut? Naga? Raksasa? Kekuasaan? Selesai pada waktunya. Pejabat? Istrinya? Para penjilat? Karya agung? Kalika memainkan teka teki ini. Siapa aku. Aku siapa. Durga tiada. Ditinggalnya bayangan. Dihitung oleh cahaya jumlahnya sebelas. Coba lihat isi kepala. Ada hukum alam. Ada buah perbuatan. Tapi kelahiran tak bisa mengalahkan. Berbanyak banyaklah kau kata durga. Selesai. Itu bukan maya. Bukan bayangan. Sebelas jumlahnya. Berjalan. Tanpa hati. Tanpa kaki. Melawan arah. Depan belakang. Berputar sese kali. Wajahnya bulan. Wajahnya matahari. Para pencari memahat di dinding paras. Itu rupa. Itu tujuan. Maya. Selesai ketika sakyamuni temui empat duka. Berpayung hujan. Teratai mati. Pada sebuah kuburan. Ia hanya temukan bekas kematian. Bekas tubuh. Bayangan itu mendekat. Dua duanya berpelukan. Selesai. Mati. Gelap. Terang. Mantra bisu. Doa bungkam. Langit dan bumi juga selesai.
