*Justice is the first virtue of social institutions, as truth is of system of thought*

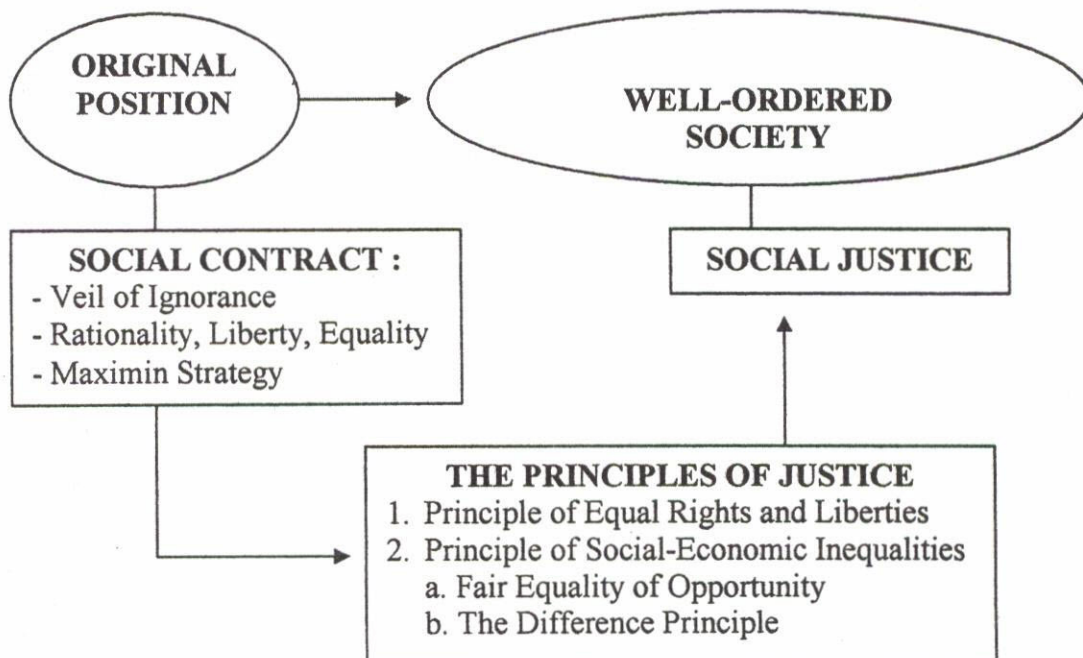

Keadilan merupakan keutamaan utama bagi lembaga-lembaga sosial, sebagaimana halnya kebenaran merupakan keutamaan utama bagi sistem penalaran

(John Rawls dalam *A Theory of Justice*)

### Abstract

*Justice as Fairness* is a theory of justice established by John Rawls as a result of his criticism to utilitarianism and intuitionism. It started from an original position. John Rawls believes that people tries to create a well-ordered society in the social justice situation through a social contract. It produced justice principles, those contains two justice main elements, those are: *Principle of Equal Rights and Liberties* and *Principle of Social-Economic Inequalities*. The second principles are *Fair Equality of Opportunity* and *The Difference Principle*.
